Match Tournament 2023 Interdisciplinary Design Sprint

Are you...

- Looking for a **grade bearing intensive or placement** to do in SP4, 2023 in which you can engage with a real client need?
- Interested in doing a course where your assignments are translations of your research and ideas into feasible proposals that can **make a difference** to other people's lives?
- Keen to learn and apply **Design Thinking, Systems Thinking** and a plethora of useful **collaboration tools and techniques**?
- Interested in having your work **displayed in a public exhibition** during October's Mental Health Week?
- Prepared to **work hard, meet and work with new people**, and most of all, have a fun and rewarding experience?

If this is you...

Sign up for the Match Tournament Interdisciplinary Design Sprint!

This opportunity is **open to all students from any discipline** to develop proposals that will explore and strive to tackle challenges around mental health & wellbeing.

Learn more about the Match Tournament and how you can enrol, including FAQs on our non-course site [here](#).

Want to talk to someone in Match Studio before you enrol?
Contact Jane.andrew@unisa.edu.au or Benjamin.altieri@unisa.edu.au

match studio

Match Studio is UniSA's innovative learning & research space, where interdisciplinary teams of students, teaching academics, researchers, industry and community organisations engage, think, learn, and co-create innovative solutions to real-world challenges.

Key dates & information

The course will **start 19 June 2023**, with classes on Monday, Wednesday and Thursday for three weeks, concluding on **6 July 2023**.

Following a week long break, you and your team will present your proposal to a panel of judges at the Match Tournament **Final Pitch Event, which will be held on 20 July 2023**.

More information about the Interdisciplinary Design Sprint will be released closer to the start of the course.
